*Desertificación*  
*y la Sequía*

DESAFÍOS DE LA DESERTIFICACIÓN Y LA SEQUÍA:  
AMENAZAS PARA EL PLANETA

A close-up photograph of a person's hand, wearing a red and white checkered shirt, holding a small amount of brown soil. The soil is falling through the fingers, creating a stream of particles that blurs as it falls. The background is a soft-focus landscape with hills and greenery under a warm, golden light. The overall mood is one of loss and concern.

**PÉRDIDA DE TIERRAS FÉRTILES Y  
SEGURIDAD ALIMENTARIA.**

**DISMINUCIÓN DE LA BIODIVERSIDAD.**

**ESCASEZ DE RECURSOS HÍDRICOS.**

A photograph of a tomato plant in a field of cracked, dry earth. The plant is the central focus, showing signs of stress with some yellowing and wilting leaves. A single, small, unripe tomato is visible on the stem. The background is a vast field of similar plants, all appearing to be in a state of drought. The overall color palette is a range of browns and tans, emphasizing the arid environment.

**IMPACTO NEGATIVO EN LA AGRICULTURA  
Y MEDIOS DE SUBSISTENCIA.**

**DEGRADACIÓN DE LOS ECOSISTEMAS Y  
SERVICIOS ECOSISTÉMICOS.**
